

# KAIROS

The moment when change is possible

## Letter from the CEO

Spring 2016

**B**ecause of **you**, we have continued to grow in the past year. We have:

- ☀️ opened a new Resident Treatment Home for young adults in Salem;
- ☀️ generated successful outcomes at our new Virtual Residential program and Crisis Respite Treatment Foster Home in Medford;
- ☀️ begun new efforts to strengthen and preserve reunified families in Coos Bay and the Rogue Valley;
- ☀️ launched Independent Living Programs in Josephine and Jackson Counties; and
- ☀️ produced solid outcomes in our Psychiatric Residential programs.

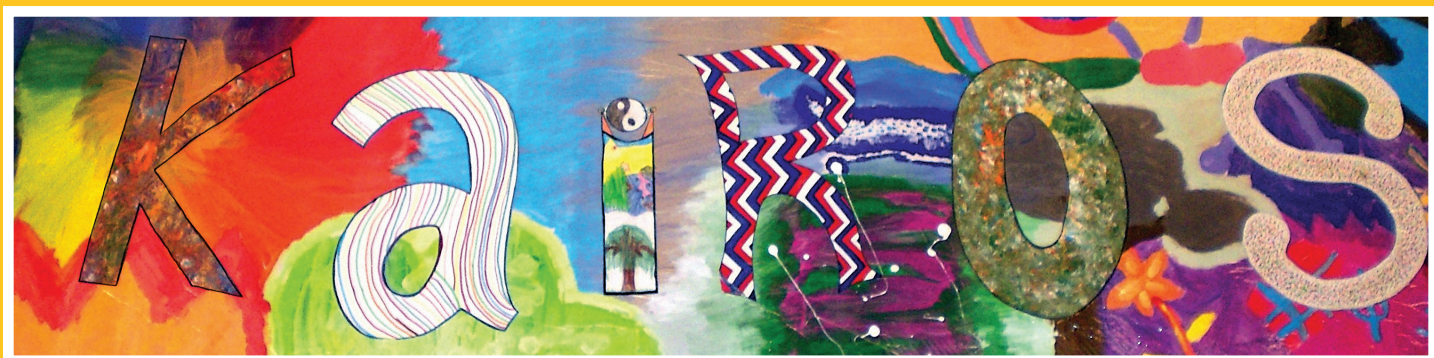

Guided by a strong and dedicated board, we are building on the needs and strengths of young people and families we support and serve to create the organization of the future.

We are deeply grateful to **you** for your support over the past thirty-eight years. **You** have made it possible for us to retain the belief and hope that with each moment we can make a difference as we work to help young people and their families develop the skills they need to cope.

Thank **you** so much for believing in us and believing change is possible!
